

If a customer selects none I don't want the custom fields displayed.

If they select "1 Line" I would like only:

Customize Your Gift-Up to 3 Lines (Optional):

Custom Engraving-Line 1: +\$6.00

If they select "2 Lines" I would like only:

Customize Your Gift-Up to 3 Lines (Optional):

Custom Engraving-Line 1: +\$6.00

Custom Engraving-Line 2: +\$3.00
