Gantry updated

A screenshot of a Joomla! administrator interface. The top bar is labeled "Container". Below it, there is a "Sidebar" on the left and a "Main" area on the right. The "Main" area contains a grid of modules. The first row has three modules: "JL Slideshow" (33.3%), "Offline custom" (33.3%), and "exam ends custom" (33.3%). The second row has one module: "Custom HTML" (100%). The third row has two modules: "Module Position ExamDisplay" (50%) and "Hika Cart sidecart" (50%). The bottom bar is labeled "Container" and shows a progress indicator from 10% to 85%.

The screenshot displays the Joomla! administrator interface, specifically the Module Manager for the 'Main' position. The interface is divided into a 'Sidebar' on the left and a 'Main' area on the right. The 'Main' area shows a grid of modules with their respective positions and percentages. The 'Module Position' module is currently set to 50% and is highlighted in blue. The 'Hika Cart' module is also set to 50% and is highlighted in blue. The 'Custom HTML' module is set to 100% and is highlighted in grey. The 'JL Slideshow' and 'Offline' modules are set to 33.3% and are highlighted in blue. The 'exam ends' module is set to 33.3% and is highlighted in grey. The 'Container' label is visible at the top and bottom of the interface. The 'Expand...' button is visible on the left side of the interface.

Module Name	Position	Percentage
JL Slideshow	jslideshow	33.3%
Offline	custom	33.3%
exam ends	custom	33.3%
Custom HTML	custom	100%
Module Position	ExamDisplay	50%
Hika Cart	sidecart	50%
